HOW TO ADD THE SC CMS 2567 APPLICATION SHORTCUT TO YOUR MOBILE DEVICE HOME SCREEN

Apple iPhones:

Step 1: Open your Safari browser and navigate to the **http://gis.dhec.sc.gov/nursinghomes** webpage.
Step 2: Tap the "Add"  button located at the bottom of your screen.
Step 3: A menu should be displayed in the Safari browser window. Select "Add to Home Screen" option.
Step 4: The "Add to Home Screen" should be displayed. This text is editable and can be changed.
Step 5: Select the "Add" button. Click on your iPhone's "Home" button to return to the Home Screen.
Step 6: The application icon will be displayed on your home screen.

Android Phones:

Step 1: Open your phone's web browser and navigate to the **http://gis.dhec.sc.gov/nursinghomes** webpage.
Step 2: Tap the tools icon  or  on the Android menu bar typically located at the bottom of your screen.
Step 3: A menu toolset should be displayed over the browser window. Select "More" and "Add to Home" option.
Step 4: The application icon will be displayed on your home screen.

Windows Phones:

Step 1: Open your phone's web browser and navigate to the **http://gis.dhec.sc.gov/nursinghomes** webpage.
Step 2: Tap on the three dot menu  icon at the bottom right. In the menu that appears, select "Pin to Start".
Step 3: This will pin the application shortcut to your home screen.

Blackberry Devices:

Step 1: Open your phone's web browser and navigate to the **http://gis.dhec.sc.gov/nursinghomes** webpage.
Step 2: Press the "Add to Home Screen"  key.
Step 3: The application icon will be displayed on your home screen.

Apple iPads:

Step 1: Open your Safari browser and navigate to the **http://gis.dhec.sc.gov/nursinghomes** webpage.
Step 2: Tap the "Add"  or "Bookmark"  button located at the top of your screen.
Step 3: A dropdown menu should be displayed over your Safari browser window. Select "Add to Home Screen" option.
Step 4: The "Add to Home Screen" should be displayed. This text is editable and can be changed.
Step 5: Select the "Add" button which will take you to iPad's Home Screen.
Step 6: The application icon will be displayed on your home screen.

For more information on how to add shortcuts and applications to your Smartphone, please refer to the Smartphone manufacturer documentation.
